Sustainable Living

Tip: Switch to reusable products like glass bottles, cloth bags, and bamboo utensils.

Why? Reduces single-use plastic waste and promotes a greener lifestyle.

Zero Waste

Tip: Start composting your food scraps instead of throwing them away.

Why? Composting reduces landfill waste and enriches soil naturally.

Energy Efficiency

Tip: Replace traditional bulbs with LED lights.

Why? LEDs use up to 80% less energy and last longer.

Privay Policy

Protect Environmental

- **Overview: This policy outlines the collection and use of personal data, emphasizing transparency and user rights.**
- **Data Usage: Personal data may be used to fulfill requests, improve website experiences, send newsletters, and comply with legal obligations.**
- **User Choices: Users can opt out of marketing communications via an email preference link.**
- **Security Measures: The organization employs secure storage methods and contracts with external providers to protect data1.**

Department of Environment, Science and Innovation (DESI)

- **Commitment: DESI is dedicated to safeguarding personal information as per the Information Privacy Act.**
- **Data Collection Purpose: Personal information is collected for processing applications and regulatory functions.**
- **Privacy Assurance: The policy highlights the importance of privacy in online services provided by the department.**

Children's Environmental Health Collaborative

- **Data Protection: The organization commits to using personal information only for stated purposes and not selling it.**
- **Retention Policy: Personal data will not be retained longer than necessary unless required by law.**
- **Third-party Disclosure: Information may be shared with trusted service providers for operational purposes but not for their own marketing**

Environment Agency

- **Regulatory Compliance: This policy adheres to GDPR and the Data Protection Act 2018.**
- **Data Collection Scope: It covers how personal information is collected through various interactions with the agency's services.**
- **User Rights: Users have rights regarding their data, including access, correction, and deletion.**

Environmental Protection Agency (EPA)

- **Comprehensive Coverage: The policy informs users about data collection methods, usage, sharing practices, and retention periods.**
- **User Interaction: It details how personal data is collected through various channels like websites and phone calls.**
- **Legal Compliance: The EPA emphasizes compliance with data protection laws and user rights regarding their personal information5.**
